

## Internship Video Production

Join one of the most exciting IT companies in Aarhus (Viby) and work in an international, English speaking office. EASI'R is one of Europe's leading providers for professional SaaS solutions exclusively made for the automotive retail industry. Our customers are leading brands like Jaguar Land Rover, Toyota, Audi, BMW and Škoda. With our lead and sales acceleration software, we help them to close more deals faster, everyday. If that sounds interesting for you, keep reading:)

### The position

We are looking for a highly motivated, creative student who has a special interest in video production. You will have the chance to support us with producing product videos shown to an exclusive automotive audience all over Europe, and help us with filming customer success stories with leading car dealers in Denmark, and eventually also abroad.

As an intern at EASI'R, you'll become an important part of the Sales & Marketing department and you will also have the chance to work closely together with the company's management team. You'll get the opportunity to enrich your portfolio, grow your professional network and join the company in an exciting phase of ambitious international growth and new developments.

### Your profile

The ideal candidate is in the last semester of their studies and already has some experience with video production and post production.

As we have many international colleagues in the office, you should be fluent in English. Danish skills are not necessarily required to work at EASI'R.

### Personal qualities

If you are passionate, result driven, eager to learn more and like to have fun with your colleagues, you'll be a perfect match and we'd love to hear from you.

### Place of work

You will work in our European headquarters, located in Aarhus (Viby). There is also an option for remote work at some days of the week.

### **Perks & Benefits**

At EASI'R, we offer...

- a gaming room with table tennis, playstation and table football
- free soft drinks, coffee, tea and snacks all day
- a tasteful lunch scheme
- weekly Friday bar with beer, snacks, and sometimes even cocktails
- company events
